All the Nitty Gritty Questions You've Got... Answered!

Q. How long does it take to find out if I have the job?

A: First of all, we only contact applicants we feel are a good match. If you've heard from someone or had your first interview, congrats!

How to *fast track* your application for a competitive edge:

Make sure you send us 3 references

Are the contact details correct and are the references expecting us to reach out

Did you provide your hiring manager with email addresses for your references as well?

After your interview, the best thing to do is maintain contact with your hiring manager.

Q. Do you provide accommodation? If so, How much does it cost and what's included?

A: Yes we do! **Staff accommodation is \$350/m**, deducted from your paycheque. We prorate your rent on a daily basis, so *you don't pay at the beginning of the month*. Instead, you pay for exactly what you stay! Example: you join us on the 8th, we only deduct 7 days rent off the first pay on the 15th. If you've ever paid rent, you know how inexpensive this is!

Your rent includes: heat, hot water, a staff phone line with voicemail (cell phone service doesn't work, but you can use wifi based aps to text etc), satellite internet (wifi), satellite TV, bedding & blankets. Each room has a microwave, bar fridge and TV. There is a staff lounge with full kitchen, all the pots, pans and dishes you need are there along with laundry facilities and hang out area. Be sure to watch the Cribs video on our [jobs page](#).

Q. How do I stay in touch with friends and family? Do cell phones work? Is there internet?

A: Cell phones do not have signal at Sunwapta, but don't worry! We have a dedicated staff line with voicemail and message board. Also, if you need to make long distance phone calls, you can buy long distance calling cards from the gift shop.

The internet at Sunwapta is provided by satellite. It is the **only** internet available to us, but we have 4 systems to accommodate staff and guests. It's extremely pricey and honestly not that great... but the good news is that it's enough for you to text or instant message

over the usual platforms. Please keep in mind that satellite is slow and not very robust, so it's **not** good enough for streaming movies, Netflix, or online gaming... which **surely you won't want to do while surrounded by great friends in basically a paradise of pristine nature!**

Q. What is the rate of pay? How do I get paid?

A: Starting wage is minimum wage which for most positions is \$13.60/hr. However, we also pay a \$1/hr bonus for most positions if you finish the term of your contract you have agreed to. Ask your direct hiring manager for details on your specific position as some positions include other remuneration incentives like commissions or tips.

Q. How do I get paid, and how often? Do I need a new bank account?

A: Our pay date cutoffs are the end of the month, and the 15th of the month. It generally takes 3 - 4 business days for accounting to process paycheques. We pay by cheque.

We bank with the TD Bank in Jasper so you can simply cash your cheque at no charge, or open an account there. There are the following banks in Jasper: TD, CIBC, Credit Union and ATB Bank. You are welcome to use any of those and of course most banking apps allow you to deposit cheques by photo right from your phone.

Q. Do I share a room or get my own?

A: Everyone except for supervisors share a room with one other staff member. This means you share your washroom with your room-mate and another room just like yours (so share washroom with a max of 3 others).

Q. What are the rooms like?

A: [See this video!](#) It shows the rooms of staff from previous years. Once you apply, your manager will give you all the details you need. Suffice to say, rooms are small and really the place you go to chill out alone or sleep. They are not a place to hang out with a group of people.

Our staff rooms are directly above guest rooms. Our guests' enjoyment is a top priority, so there are quite hours from 10pm to 8am.
